Introduced by Assembly Member Buchanan

December 18, 2012

An act to amend Section 4104 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 44, as introduced, Buchanan. Subletting and Subcontracting Fair Practices Act: bidding practices.

The Subletting and Subcontracting Fair Practices Act requires the entity taking bids for the construction of any public work or improvement to specify that any person making a bid or offer to perform the work shall, in his or her bid or offer, include specified information, including the name and location of the place of business of each subcontractor who will perform work or labor or render service to the prime contractor in or about the work or improvement.

This bill would the remove the requirement that the location of each subcontractor's business be included in the bid or offer and instead require that the California contractor license number of each subcontractor be provided.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:
